SCHOOL SONGS

GOLD AND BLUE

Argentine, Argentine, is the high school
Where we learn and are taught the Golden Rule.
To be fair to the foe is the one great motto,
Of this high school in Argentine
So with loyal hearts we sing,
Our sincere tribute we bring,
To honor with one thought and voice,
The high school of our choice.

Chorus

Now you laddies, lassies, listen,
It's Argentine,
Argentine, with its colors so true,
We are thinking of you always,
Dear Argentine.
Argentine, with its Gold and Blue,
It's our pride upon the hillside,
Where we work with will and win,
Now you laddies, lassies, listen,
It's Argentine, Argentine, that will make all things spin.

COCK-A-DOODLE-DO SONG

Cock-a-doodle-do, I'm for Old Argentine;
I am proud of it, and so
I will crow and crow and crow;
Cock-a-doodle-do, I'm for Old Argentine;
And I'm crowing, for I'm growing
In Old Argentine.

ARGENTINE STEIN SONG

Sing to dear Old Argentine,
Fight for the Gold and Blue,
Stand and let us honor our school,
Let every loyal Mustang sing,
Sing with all our heart and soul,
Eyes always toward our goal;
Keep this one and only motto,
Be fair and honest to our foe.

HELEN WRIGHT.

At the beginning of the year because of business conditions, it was thought that it would be necessary to give up the Annual this year, but, by condensing it, it was possible to issue a smaller book. It was necessary to leave out the creative section and the kodak section in order to cut down expenses.

The Annual will not be entered in any of the contests this year as it has no theme and much has been omitted that would be necessary for it to be given a good rating. Last year the Argentinean placed first in its class at the Kansas State contest conducted at Manhattan by the Kansas State Agricultural College. In the National Scholastic Press Association contest it won an all-American rating.

The Press Club, which is the first step toward journalism honors, stimulates interest in journalism work and serves as a means of enabling the members to discuss plans for the betterment of the high school publication.

A required number of inches of news printed in the paper, and a required number of points are necessary for membership in the Press Club.

The officers of the Press Club are: Roy Fritz, president; Leo Wells, vice-president; Marye Ruth Webster, secretary, and Raymond Burger, treasurer.

In the Scholastic Awards contest, Marye Ruth Webster won first place in the United States in the national Quill and Scroll interview contest, and first place in the state with a story about Jane Addams of Hull House. Roy Fritz placed first in Kansas in the Scholastic Awards contest with a sport story.

In the state contest, Raymond Burger and Charles Anderson won first place in business management.

In the Quill and Scroll contests Ruth Burns won a national place in the feature story contest, Edwin Browne won in the advertising contest in the South Central States section, Raymond Burger received a place in the South Central States section contest for an editorial and Roy Fritz placed in the South Central States contest with a news story. In another series of contests sponsored by the Quill and Scroll, Charles Anderson was awarded third place in the newspaper terms division of the contest, and Ruth Burns and Billie Mitchell received honorable mention in editorial and headline contests respectively.

Each year the Argentinean is entered in the Columbia contest, which is sponsored by the Columbia University in New York City. The paper is judged from every angle, including both makeup and contents. The purpose of the Booster and Pep Clubs is to arouse the interest at all athletic contests and games. At the games the Booster and Pep Clubs give different forms of entertainment between the halves. Basically the purpose of the Booster and Pep Clubs is to arouse and maintain the interest of the rooters for the backing of the teams.

The organizations give assemblies throughout the year. They also have several picture shows, the proceeds of which are used for their expenses.

FOOTBALL

When Coach John Lonborg made his first call for football candidates, about sixty boys reported. The nucleus for a team was centered around nine lettermen from last year's "city champions." One of the best teams in the recent history of the school was developed. The team won six games, lost one, and tied one. In a thrilling game played before a record-breaking crowd of 8,000 on the Wyandotte field, Argentine was defeated 13 to 0. That game was to decide who would be the Northeast League and City League champions. On Thanksgiving Day Argentine and Rosedale tied by a score of 6 to 6. Rosedale made her touchdown in the last few seconds of the game.

OSAWATOMIE

Argentine opened the season against Osawatomie at Argentine. It showed a powerful offense and defense by holding Osawatomie without a first down and without a score. The score was 43 to 0.

WARD

In the first city league game Argentine defeated a much heavier team by a score of 12 to 0. Argentine was too tricky for Ward.

Argentine journeyed to Lawrence and won over the University city team by a score of 25 to 7. Argentine took an early lead in the first half. The score at the half was 18 to 0.

PLEASANTON

Argentine started this game off by scoring twenty points before the first quarter was up. After the first quarter the Argentine reserves played most of the game. The score at the end of the game was 39 to 0.

ATCHISON

In the fifth game of the season Argentine defeated Atchison 13 to 0. The game was played in a drizzle of rain, making the ball slippery and hard to handle.

WYANDOTTE

In a game to decide the Northeast Kansas and City League championships, Argentine lost its first game of the season to the powerful Wyandotte High School team, 13 to 0. Wyandotte outweighed Argentine fifteen pounds to a man. The game gave many a thrill to the 8,000 spectators. Fumbles cost Argentine a score in the first half.

SHAWNEE MISSION

In a slow, uninteresting game, Argentine defeated Shawnee Mission on the latter's field. Argentine scored a touchdown early in the first quarter. The score at the half was 6 to 0. Argentine scored a safety and a touchdown in the last half. The final score was 14 to 6.

ROSEDALE

In the final game of the season, Argentine and Rosedale tied, 6 to 6. Rosedale scored her touchdown in the last few seconds of play. This game wound up the season for both teams. Argentine and Rosedale tied for second place in the Northeast Kansas League and Argentine also got second place in the city league.

About forty boys attended the annual football banquet given by the mothers. Seventeen letters were given the boys. Also, each letterman was given a small loving cup with the letter "A. H. S." engraved on it. Peter Innes was elected captain for the 1933 season.

This year was Argentine's second year of coaching by John Lonborg. The team this year had a fair season, winning eight games and losing eight in the regular season. In the regional tournament the team won the first round game by defeating Shawnee Mission and lost in the semi-finals to Wyandotte.

The team tied for second place in the city race with Ward and won fourth place in the Northeast League.

It opened the season against Manual High with a victory, and opened the Northeast League race by losing to Leavenworth at Leavenworth.

The city race opened with Ward defeating Argentine in a closely fought game in which the defensive play of both teams stood out.

Argentine's second victory of the season was over its ancient rival, Rosedale, by a small score.

In a return game against Leavenworth, Argentine was nosed out in the closing minutes of play.

Argentine defeated Shawnee Mission in a hard fought game on the home court.

After a closely fought first half in which the score was tied 11 to 11, Argentine got started and smothered Rosedale.

In the most thrilling game of the year Olathe defeated Argentine in an overtime game by three points.

Wyandotte's large and powerful Bulldogs smothered the much smaller Mustangs by a score of 43 to 12.

Argentine got back to winning ways with victories over Atchison and Shawnee Mission.

The return game against Wyandotte was much closer, but Wyandotte again defeated Argentine.

Atchison upset the Mustangs on the Atchison court by a score of 26 to 9. The Argentine team was badly off form.

In the final Northeast League game against Olathe, Argentine won after Olathe had made a determined rally to tie the score in the final minute of play only to be nosed out.

Argentine closed its season by defeating Ward 24 to 12.

Maurice Ketchum and Glen Trent were elected co-captains for the basket ball team this year. They were elected by popular vote by members on the team. The captains were not elected until the end of the year and received this honor because they were the leaders of the team and had been on the team longer than the rest.

JUNIOR HIGH BASKET BALL

First Row—Darnell, Riechart, Heckman, J. H. Nicholson (Coach), Van Brunt, Weber, House, Terry.

Second Row—Davidson, Post, Wilhm, Bean, Buckman, Bounds, Mason, Jones.

Junior high school basket ball is the training ground for the future high school teams. The 1933 season was successful in developing several players who will make strong bids for places on the high school first squad in 1935. Of ten games played, the team won six and lost four. Total scores for the season were: Argentine, 163; Opponents, 138.

The entire first squad, with the exception of Jack Buckman, will graduate out of junior high competition this year. However, reserves built up this year and new material next year should bring a strong junior high team again for the 1934 season.

Any boy who has earned a letter in a competitive sport at Argentine High School is eligible for membership in the club.

Since Coach Swender came to the school two years ago the track team has developed to a competent and efficient band of boys who work out every night with an abundance of willingness and fight.

JUNIOR GIRLS' BASKET BALL TEAM

First Row—Darnell, Burgoon, Reynolds, Beth, Thomas, Miss Ruth Dunmire (Coach)
Second Row—F. Smith, O. Smith, Watson, Satterfield, Jones, Eisman, Gaither.

The girls' physical education department strives to give the girls an "all round" program of activities, which are most desirable for girls. These activities include gymnastic games and tap and folk dancing, health instruction, posture training, corrective gymnastics, and seasonal sports. The sports include tennis, volley ball, basket ball, deck tennis, archery, handball and baseball.

The Girls' Athletic Association, of which Helen Landon '33 was president this year, sponsors and manages all sports. The girls elect a manager for each sport. She is responsible for the choosing of teams and the intra-mural program in her particular sport. This year the following managers were chosen: Volley ball, Alpheretta Gunn; basket ball, Frances Smith; minor sports, Edna Thomas.

Points toward a school letter are awarded all girls who play on class teams in any sport. Five hundred points are needed for a class numeral, which entitles one to membership in the Numeral Club. One thousand points must be earned before a girl receives a school letter and is admitted to the Girls' "A" Club organization.

The Girls' Athletic Association in every way tries to interest girls in the school in at least one sport which she may enjoy in her leisure time after school days are over, and does not try to develop a few highly trained athletes at the neglect of all the others. The aim is to aid every girl in participating in a sport she likes best.

The annual physical training exhibition was given May 19 in the gymnasium. Beverly Brown was crowned May Queen with Margaret Watson and Alpheretta Gunn as her attendants. The rest of the program consisted of folk dances, calisthenics, sport demonstrations, light and heavy apparatus work and marching.

Joe I shall tell you a story. It is like this

It was a dark & drizzly evening and the boys sat round the
camp fire & the captain shouted Anthony tell us a story & the story
went like this. It was a dark & drizzly evening & the boys sat round
the camp fire & the captain shouted Anthony tell us a story & the
